

The International School Yangon

Fee Schedule - School Year 2017-2018

All fees are quoted in US Dollars

ISY is a non-profit school and all fees are channeled back into the school. Our tuition fees cover expenses related to the day-to-day operation of the educational programs we offer. The capital fees contribute to the school's costs for construction, technology, furniture and fixtures, and debt retirement.

Payment of Fees

Tuition fees are due in the ISY accounts by the invoice due date. Failure to receive an invoice does not absolve the payer of the responsibility to ensure school fees are paid prior to a student's attendance. The enrollment of a student is a private contract between the student's parents (or guardians), and ISY, irrespective of the arrangement between the parent and their employer. The parents remain responsible for all fee payments. Students who attend ISY for any or all of a school fiscal quarter are charged tuition fees for the full semester. Charges are not levied on a per diem basis. School records will be released only after all outstanding fees are received.

Please note:

- Fees must be received by the school before a start date can be confirmed for all new admissions.
- Tuition fees are payable on an annual or a semester basis.
- A .5% handling fee will be charged on cash payments larger than \$100.
- Late payments are subject to a penalty of US\$ 500 per month.
- Please initiate bank transfer transactions early enough for payments to be cleared in the school account by payment deadlines. Email a copy of the remittance advice to the Business Office.
- Any student whose account is in arrears for more than one month will be suspended until the payment is made.
- An annual Field Study Fee of US\$ 790 is incorporated into the first semester tuition fee for grades 6 - 12.
- Tuition fee payments are based on the school financial calendar. The financial year is divided into 2 semesters: **Semester 1: August 14, 2017 – December 15, 2017 and Semester 2: January 8, 2018 – June 6, 2018**
