

Naypyitaw and Facilities: Strategic Objectives

Theme Statement: ISY will explore and develop facilities options, including the creation of a satellite campus in **Naypyitaw**, to support our host country in its growth and development, and to assist our international community to engage with the Myanmar government.

Strategic Objectives

1. Create an implementation / development program for opening a Naypyitaw campus.
2. Prepare for the opening of a temporary campus in Naypyitaw.
3. Explore facilities options in Yangon and other areas of Myanmar.
4. Plan for a more permanent facility in Naypyitaw.

Measurements

1. A campus is open in Naypyitaw within five years assuming facilities conditions are met.
2. A facilities options plan has been created within two years.
3. A master facility plan for Yangon and Naypyitaw is in place within two years.
